

ROLUX ROLL & COMB

Rolux

ROLL & COMB 502 E - V19 (59-0008)

Clean your artificial grass of moss, leaves, pine needles and other debris while combing and lifting the bristles of the artificial grass.

Its brushing system sends the waste to the 40l collection bag. It has working height adjustment to adjust the intensity of the comb. Recommended from 150 m² to 450m². Patented utility model.
